Season 27

Welcome to Season 27 of the Aactive Dart League. Leagues are offered in Winnipeg, Brandon, Beausejour, Stonewall & Portage La Prairie.

In total, 14 teams won trips to Team Dart (12 from the Winnipeg Vegas Leagues & 2 from Portage La Prairie). Six Pink Ladies teams participated in South Dakota, & we held our own Pink Ladies Tournament in November. Other tournaments held last year was Team Cricket, NYE Blind Draw, 501 Team in Portage La Prairie, and the Pink Ladies Mixed Triples.

NEW this year is the Wednesday Night CA\$H League & a new addition to our Vegas Leagues - PREMIER VEGAS on Thursday Nights. We still offer the other 4 Vegas leagues (with divisions as needed), Pink Ladies Doubles & Mixed Doubles and Elite (with A & B divisions). Plans are in the works for some short Remote Doubles Leagues where you can play out of your home bar, and a possible return to our Junior (kids) League. Information for these leagues and more are in this e-newsletter.

New locations have also been added.

The 2025-26 Aactive Player Rankings are posted on the website <https://aactivecoin.com/leagues/dart-league/dart-league-schedules-and-standings/>

An updated version of the Aactive Dart Players Handbook is currently being worked on. When completed, a copy will be emailed out and available on the website.

NDA Team Dart is May 7-13, 2026. Due to Easter, our Winnipeg Vegas & Ca\$h Leagues will start August 26-28. If you want to play and your team cannot make the first week, do not worry. Just let us know and we will reschedule those matches for a later date.

WINNIPEG PINK LADIES DOUBLES / MIXED DOUBLES DART LEAGUE

[facebook.com/Winnipeg Pink Ladies Dart League](https://facebook.com/WinnipegPinkLadiesDartLeague)

Winnipeg Pink Ladies FALL Doubles & Mixed Doubles League starts Monday September 8

The 2024-25 Fall, Winter & Summer seasons had great participation with 57 doubles teams. Six Ladies teams participated in South Dakota (Oct), 13 Ladies teams played in our own Pink Tournament (Nov) and 24 triples teams in the Mixed Triples (May). Ladies teams are planning for South Dakota this October. Let's make this the best Pink year ever!

The 10 week Fall season starts September 8. Teams can be 2 ladies or Mixed (female/male) in separate leagues. There are NO Playoffs for the Winnipeg Pink leagues. A pot luck and fun darts is planned for each Pink Season End windup. **No experience needed to play.**

Winnipeg Pink Ladies Annual Meeting is 7pm, Wednesday August 20 @ Rookies. The ladies encourage your ideas, questions & comments. Feel free to reach out in advance to wpgpinkladies@gmail.com Fall Pink Doubles registrations will be accepted.

The Pink Ladies Tab Fund was a challenge accepted after the SD Pink State Tournament last October. The goal was to fill a water jug with can tabs. Mission accomplished many times over! The WPL are pleased to announce that anyone can drop off their can tabs, pop cans or any metal at Western Scrap Metals - 18 Sutherland Ave and put it on the Winnipeg Pink Ladies account (please separate tabs from the cans). You can still drop off tabs at any Playoff or Tournament.

Monies raised from league fees & fundraising go into the Winnipeg Pink Ladies Presentation Fund. Winnipeg Pink Ladies have Non-Profit Charity status.

Since 2014, their presentations have included dart players, friends, families, coworkers and individuals receiving cancer treatments.

Three 10 week Pink leagues are offered; Fall, Winter & Summer. Ladies that play in our Pink leagues this year are eligible to participate in the South Dakota Pink Ladies State Dart Tournament October 2026 in Brookings South Dakota.

No One Fights Alone!

HISTORY: Pink Ladies was founded by Randy "Mr. Pink" Oliver of Yankton South Dakota and we are the first official International Pink Ladies League outside of the USA.

Randy did a Pink Ladies Presentation at a Dart Conference the Summer of 2014. That Fall (September), we had our first Pink Ladies Doubles League. In 2018, we opened up the league to include Mixed Teams.

The South Dakota Tournament has grown from 88 doubles teams in 2013 to over 190 ladies teams (4 ladies per team) from various US states and Winnipeg. Our first team participated in 2015 in this fun & emotional event.

Check out all the Pink Ladies Leagues on Facebook.

Grand Forks Pink Ladies Outdoor Dart Tournament Saturday August 16 @ Diamond Lounge in Grand Forks ND. Open to Ladies & Men. Updates on our facebook page.

THE WINNIPEG PINK LADIES MISSION is to have fun playing darts while raising awareness & money (through league & tournaments, merchandise sales, fundraising & donations) to help individuals & families directly who have loved ones going through Cancer treatments.

 - ◇ Team Cap will be 80.00 PPD. Open to all players. A minimum of 6 teams will be required for each league.
 - ◇ 4 player teams with a 13 game or 15 game format of '01 & Cricket (depending on division).

LEAGUE & PLAYOFF REMINDERS

- ♦ **Team Sign-Ups:** *It is important to register by the deadline to ensure proper placement of your team.*
Teams are entered based on Team PPD and Player Ranking #. Divisions will be used for all Leagues as needed. League & Division placement is based on your teams PPD & individual Player Rankings when you register and will be assigned when the full schedule comes out. Teams will not move up or down for the Playoffs regardless of how well or poorly they play during the season. At seasons end, the top team & players in your League & Division will be awarded 1st place team and player awards.

Any teams signing up after the deadline may result in your team being placed in a higher division or league. Teams that cannot play week 1 or 2 will have their match rescheduled. Refer to the Player & Team Caps section for your league. Team name can only be 18 characters (letters, numbers & spaces).
- ♦ **Spares:** If you require a spare on league night, they have to be the same Player Rank or lower. Example- if a player is ranked a 3, you can only use a player ranked a 3 or 4. The rule for adjusting PPD/MPR still applies if the spares average is higher. Using a spare with a higher Player Rank will result in either a loss for every game that player won, then a loss for every game they played in.
- ♦ **Schedules:** Information for your League & Playoff Dates will be at the top of your league schedule. The "NOTES" column will be for makeup matches or double-headers if needed. A scoresheet will be on the last page.

We prefer to have all leagues & divisions with an even number of teams for week 1. If not, your league will feature "Byes" and make-up matches (double-headers) so all teams play the same number of matches for the season. The 1st team to even out a league will close registration for that league. Any late team registrations may result in placement in a higher division or league where space allows. We may allow a remote team to even out the # of teams depending on board availability.
- ♦ **Regular Roster Players & Spares:** For the Vegas Leagues, all Regular Rostered players must have at least 12 weeks (Tuesday teams) and 11 weeks (Thursday teams) to play in the January Vegas Playoffs. If those weeks required are not met, that player will be ineligible to play the entire event. Spares need 5 weeks & be equal or lesser PPD. Spares also need to play in at least 1 round robin match to play the 2nd day. Regular Rostered Players will need 17 weeks to play in the Season End Playoffs or will be ineligible to play. Spares need 8 weeks for the Season-End Playoffs and play at least 1 round robin match before the Elimination round. For all other leagues (unless otherwise stated), regular players need 60% & spares 30% of weeks played. Players need 60% of games played to be eligible for any Player Pin Awards.
- ♦ Your weekly fees cover everything related to the league you are playing in.
- ♦ **Leagues Match Format:** On league night, the Home Team will start all odd # games and Away Team will start all even # games.
- ♦ **Vegas Playoffs:** Both round robin & elimination matches will be "Alternate Start" format for games 1 - 4. This means Home Team will start games 1 & 3 and Away Team will start games 2 & 4. Diddle for last game still applies. Up to 8 teams from each league or league division round robin will advance to double elimination.
- ♦ **Season End Playoffs:** Alternate start format. All teams will receive prize money based on finish.
- ♦ **Postponing / Cancelling Matches:** Please try and find spares instead of postponing matches as rescheduling can become an issue. One option is to contact your opponent to see if they have any spares available. Any outstanding matches must be completed by the last week of play in December to play the Vegas Playoffs in January. Teams can not postpone any matches in January until after your Vegas Playoffs. Any outstanding matches for all Season End Playoffs must be completed by the last week of league play. For matches not played, both teams are required to pay the full amount of league fees and neither team will receive any wins or losses.

Do not use these tables to seat your team on league night. If asked to move, please do so. At other locations, please do not crowd around the boards.
- For teams arriving at the last minute, please find a table and set up the board first so that the match can start on time.
- Players are expected to be at the board when it is their turn to throw.

We offer a 10 week Fall Season from September to December and a 10 week Winter Season from January to March on Monday nights, along with a 10 week Summer League on Wednesdays from May to July. Any funds (donations) that are raised during league play go towards the Winnipeg Pink Ladies Presentation Fund to help out individuals and families going through cancer treatments.

Games played in this league (min 30 games of 501 in 6 weeks or more from one season listed above) qualifies Ladies Only to participate in the South Dakota Pink Ladies State Dart Tournament in October 2025.

Teams can be 2 Ladies or Mixed (1 female & 1 male). Separate divisions for Ladies & Mixed (based on # of teams). There are No Playoffs for Pink leagues. A pot luck and fun darts is planned for each Season-End Windup. No experience needed to play.

- Matches start at 7:15 PM. There is a 15 minute grace period for late players.
- Cost is \$10 per player each night. League fees cover your game plugs & NDA Sanction Fees (new players only). Proceeds from the league go to the Winnipeg Pink Ladies Presentation Fund.
- **Both** Team Captains report to the machine for set-up. The HOME TEAM sets their order up first, then the VISITING TEAM. All League Fees are paid into the machine before play can begin. Insert your money when the CREDIT SCREEN appears. If any bills do not go in after a couple tries, use a different bill. Make sure coins register before inserting another one.
- **SPARES:** Enter their FULL NAME (if not assigned to your team). **Spares should be of equal or lesser ability & must be the same Player Rank # or lower.** Please do not use a higher PPD player replacing a lower PPD player on their 1st night of play. Spares assigned to your team will need to have their PPD/MPR adjusted once they have an average on the stats if subbing for a lower player. A players 1st night of play in any league will have NO Handicap. If their name appears on the stats for that league, enter as required. Incorrect entry of a spares average may lead to wins being credited to the opposing team. Teams are required to find their own spares & have a complete team present. Do not enter a real persons name if you are short a player on league night. If you are missing a player on League night, push the missing players score through. Spares can play for any team in their league/division. Regular players can spare for another team in a different league on the same night provided they do not exceed the player cap or ADL Player Ranking for that league & follow the spare criteria listed above.
- For the first 1 or 2 weeks of league, no schedules will be handed out. Captains can call, and/or will be notified of their next match. Captains...please let your players know on a week to week basis where they play. A complete schedule will be out by week 3.
- Teams must play / pay for all league matches. For any Team Cash Draws at the Players Awards Party in April (for the Fall & Winter season), at least one regular player from your team must be present to win.

League Schedules & Stats, along with the Aactive Dart League "Players Handbook" is available on our website aactivecoin.com

2025-26 IMPORTANT NOTES: ELITE LEAGUE SATURDAY

Open to any players that want a more challenging format of games & competition.

NEW A & B divisions will be offered. A minimum of 4 teams per division is required. Otherwise all teams will be in 1 division. Approximate division placement is A division 95-105ppd and B division under 95ppd. Remote teams will be allowed if boards are available.

Play will take place on 6 Saturdays over 5 months between September & January with all matches at Rookies Sports Bar. Each team will play 3 matches per Saturday. Aactive Dart League & Toba Dart players are allowed to participate. Cost is \$33 per player each Saturday.

Stats from this league will not qualify players for Team Dart 2026. This league does not meet the 8 separate weeks of league play required to participate. Players not playing in any other Aactive Dart League will pay their \$15 NDA/ADL Sanction Fee.

Team Cap is 105 PPD based on the Aactive Player Rankings. Any players not listed or have a * or ** beside their ranking # will have their average based on previous ranking PPD, highest league PPD or Cricket MPR to PPD conversion.

We will not play on Saturdays that conflict with Aactive or Toba Darts Playoffs. We will try to avoid Saturdays with Remote Tournaments, however we cannot guarantee this. You will be required to find spares as needed.

- Matches start at 11:00am on the scheduled Saturday. There is a 15 minute grace period for late players.
- Cost is \$33 per player each Saturday (\$11/player each match). All monies are paid into the machine before play. League fees cover your Prize Fund & Playoff Board Fees. \$15 NDA Sanction Fee will be applied to any player not playing in any other Aactive Dart League and will be collected separately.
- 11 game format - Alternate Start: 4 x 501 double-in double-out split bull (stacked), 6 x Cricket (stacked) and 1 x 501 double-in double-out split bull (Team - stacked - freeze rule). **No Handicaps used in this league.** Matches will be played one after the other.
- **Both** Team Captains report to the machine for set-up. The HOME TEAM sets their order up first, then the VISITING TEAM. All League Fees are paid into the machine before play can begin. Insert your money when the CREDIT SCREEN appears. If any bills do not go in after a couple tries, use a different bill. Make sure coins register before inserting another one.
- **6 Saturdays of play:** Regular players must play a minimum of 11 matches to be eligible for all your League Playoffs. *SEASON-ENDING PLAYOFF SPARES* must play a minimum of 5 matches to be eligible. All games must be from this league. The first 4 players that you signed up with are classified as your regular players. *We must be notified of any player changes to your team throughout the year.*
- Teams will NOT be allowed to cancel any matches after week 1. Penalty for cancelling is paying the full league fees for your opponent when the games get made up.
- If a regular player cannot play all 3 matches on the Saturday, you can have a spare play the remaining match(es). Spares can play for more than one team to get their games in for the Playoffs if needed.
- **SPARES:** Enter their FULL NAME (if not assigned to your team). **Spares should be of equal or lesser ability & must be the same Player Rank # or lower.** Teams are required to find their own spares & have a complete team present. Do not enter a real persons name if you are short a player on league night. If you are missing a player on League night, push the missing players score through. **Playoffs - must be** of equal or lesser ability. Formula for Playoff Spares is 501 PPD x Cricket MPR from this league.
- The SEASON-ENDING PLAYOFF date is TBD and will be played in February. Playoff format is round robin followed by (maximum of 8 teams per division) double elimination. All teams receive prize money.
- Teams must play in & complete their leagues' respective playoffs to be eligible for any prize money. All teams will receive money in the Playoffs. First place Playoff winners will also receive Jackets sponsored by Rookies.
- For the first Saturday of league, no schedules will be handed out. For week #1, we will discuss the remaining weeks of play, and a complete schedule will be out after with information and your League Playoff date.
- **50-50 Draw:** A 50-50 will take place each Saturday. To win 50% of the pot, a ticket will be drawn and the player has 1 dart to hit any triple. Tickets will be drawn until a winner is declared. The remaining monies will be used towards PAY-PER-TEAM WINS for each team during the regular season (up to 50 cents per win) and paid out at the start of the Playoffs.
