## League Setup on the BullShooter (Galaxy 3) Machine for Remote & In-Person Team Play

updated September 3, 2024

The Remote team will be playing out of the Beausejour Hotel or the Howland Hotel. The location on the schedule is for the Winnipeg Teams to know which bar they will play the remote match out of.

To ensure the dartboard is connected to the internet, on the Main Menu, in the bottom left-hand corner should have "Remote Play Online". If not, unplug the dartboard, wait 30 seconds & plug back in. This should reboot the board and restore the internet connection.

If the internet does not connect before the match starts, the match will need to be rescheduled.

If the internet loses connection during the match, contact your opponent, then unplug the board (as directed above). Go back into league setup and if the internet connects, you can resume the match.

In the event the match cannot continue after 15 minutes of trying to restore the internet connection, a message will appear to **Suspend Match** or Cancel Match. Choose SUSPEND MATCH so it can be resumed at a later date.

From the Main Menu select "LEAGUE MODE"

Select "PLAY LEAGUE (LOCAL or REMOTE)"

Select SV24-SUPER VEGAS THUR 24"

CHOOSE YOUR TEAM. It will ask if **you** are the HOME or AWAY TEAM. Make sure you choose the proper one, otherwise it will not connect to your opponent

CHOOSE OPPONENT TEAM

On the board it will ask "Is The Other Team Present With You?"

If your opponent is in person, select "Yes, Play Local League"

If your opponent is the remote team, select "No, Play Remote League". The next screen is STARTING REMOTE MATCH – Waiting for (your opponent)

Once your opponent logs in, you will go to the Roster screen where you can adjust your order, add subs & pay your league fees when the Credit Screen appears.

### For Remote Play only - Rules

Ensure both cameras are working.

"The Dart Board Is Always Right" rule applies for ADL / NDA remote leagues & remote tournaments: A dart thrown that sticks but does not score or appear on the darts thrown count on the monitor is scored as the board reads.

In person matches you will be allowed to backup. Not remote matches.

A captains list will be sent out to communicate with the team.

Players are expected to be at the board when it is their turn to shoot. Slow play or unnecessary delays will not be tolerated. If you are experiencing any issues, contact your opponent.

If you are having a problem on league night, call / text Paul @ 204-979-3278.
